RE: Regarding Women's Conference
From: Brown Chapel Church, Inc.
Theme: "Who Hears Me When I Cry"
Date: February 3, 2009

Dear Dr. Pettigrew,

On behalf of Bishop Elect Michael A. Davis and the women here at Brown Chapel Church, Inc., we would like to thank you so much for speaking at our Women's Conference on January 31, 2009. Your presentation was enjoyable and very informative to the hurting women here at our church and the community. Opening up your life to women who may have gone through similar experiences will give them a chance to open up themselves and begin a healing process. For your generosity we are eternally grateful.

The journey through the forest and the exercise of building up our self-esteem; that was great, absolutely perfect. We enjoyed the evening and we were blessed to have found such a loving, thoughtful and faithful friend.

Thank you again for your unselfishness, which will make it possible for many worthy women young and old to take advantage of the information you presented to us. Consider us in your debt. We wish you good success in your company, Fresh Start For Women.

Very Truly Yours,

Gwyneth Thomas, Church Coordinator
