Letter of Reference

Janice Pettigrew is a dynamic speaker and has a way of motivating women to be their best. You have to love and respect her because she is open and honest with her words and has a strong belief in empowering yourself. Mocha Moms Dekalb enjoyed having her as an inspirational speaker and thanks her for helping us affirm the importance of taking time for ourselves.

We especially appreciated her patience and sincerity in answering our questions and providing tips on alleviating stress. One of the goals of our chapter is to align ourselves with other organizations and women who are striving to improve the quality of life of women and children. Janice has a giving spirit, dynamic personality and positive attitude in serving the community. We can see that she is sincere and committed to achieving her goals. We wish her continued success.

Regards,
