Hey Lady,

I just wanted to share with the wonderful feeling I received from the Women's Retreat! It was 'da' bomb! It truly was an eye opener to me. Grrrrrl, after listening to so many sisters open up and share their testimonies was like a burden being lifted from my mind. I thank God for you calling me and allowing me to be apart of the Fresh Start Program. I would like to pledge some of my time in support of this new organization. I wish I had the financial wherewithal to be a patron; however, all I have is my time to donate. I am excited and looking forward to creating a skit that will include staff and participants, with a Fresh Start message. I will keep you informed and send a copy of the project as I go. O.K.?

Believe me, I have shared this past weekend's experiences with family and friends, and each stated that they too, felt the spirit that I felt in that place. They agreed that Fresh Start is truly a god given project and worthy of support. I believe, that all of us working together WILL make this happen. Anyway, just wanted to send you a few lines to let you know that my experience this past weekend has been a revelation to me.

Sincerely,
